Hi, it's Carol Dysart here!

Welcome to my  
PeopleSmart World!

Some of you know me as the *DISC Master* for the Money & You® programs.

For over 38 years I've enjoyed the gift of personally listening to graduates' questions, seeing their profiles, and helping interpret what their profile report so brilliantly shows. I know it makes a huge difference in life and business - because people are people - and they are everywhere we go!

**Now I am eager to share my insights and experience with YOU!**

I'm making a unique training opportunity available for only 10 people. If you are someone who wants to learn how to apply my *DISCtinctions* into your life right NOW, here's how you can! Learn how to empower ALL your relationships – regardless of what else you want to do with these *DISCtinctions*! You can also choose to get certified as one of our consultants to empower your own client relationships and increase your business income, if that's what you are looking for!

**TAKE ACTION now by applying with a full payment or deposit *no later than Sunday, June 24***, and you can get started studying now or you can take the full SUMMER of 2018 to complete it. It's just that you'll enjoy a SUBSTANTIAL savings in tuition by applying for this GROUP TRAINING Master Mind Opportunity – and you'll learn a whole lot more by working with others in the Monthly Q&A and Practicum sessions.

**This is how to participate, regardless of when you complete it.  
Go to... [www.PeopleSmartWorld.com](http://www.PeopleSmartWorld.com)**

- **Read our landing page** to get a sense of what's possible and to meet a few of our most recently trained consultants and notice the types of training applications we offer.
- **Scroll down the right side and opt in for your own free eBook** by me and my amazing Partner, Sandra Davis of New Zealand (M&Y grads love doing business with other grads around the world!)
- Scroll further down and click on **Certification Training** to request a Training Application Form. With our training you can interpret and use DISC to add further skills as a Consultant or Coach or become a leader that is DISC-literate to better build your teams.
- TAKE 50% off **the Certification tuition fee listed there** when applying for this summer group Master Mind training.
- As soon as your registration with payment (in full or agreed installments) is received, you'll **receive an invite for logging into our on-line Training Room** for accessing your training resources and downloading your DISC manual, and brilliant Study Guide!

Bottom line, even if you are already great with people, this will take your skills to a whole other level!
